For over 30 years, the Holiday Giving Project has helped low income families in our community by collecting and distributing food and gifts during Thanksgiving and the December holidays. A network of social workers, school counselors and other professionals qualify and refer those who need help. Last year 9,000 families received assistance so they too could celebrate the holidays.

*For more information on the Holiday Giving Project, go to [www.iworksmc.org](http://www.iworksmc.org) and click on “Holiday Giving”*

Join the hundreds of individuals, families, and corporate, civic, school, athletic, youth and faith groups in Montgomery County who participate in this project each year. Now, more than ever, you are needed.
