

# Workplace Volunteering with IW

## Serve the Community with IW:

- Have a dedicated volunteering shift for your team at the Essential Needs Center
- Host a donation drive at your company to benefit our neighbors
- Provide and/or serve a meal at one of our facilities
- Support workforce development opportunities with VSP

## The Benefits of Volunteering with IW:

- Strengthen your team's culture
- Increase employee satisfaction and give back to the community your employees work and live in
- Support a local community organization and contribute to the well-being of Montgomery County's most vulnerable residents
- Receive recognition of your good work through IW's social media

## Who We Serve:

We provide services to 35,000 individuals each year. Our clients are Montgomery County, MD, residents and many are experiencing homelessness or at-risk of homelessness, earning less than 200% of the Federal Poverty Line (\$30,120 for a single-member household).

**Our volunteers are working to support our neighbors in need by providing vital services and a pathway to greater stability.**
