Interfaith Works depends on a network of dedicated volunteers to accomplish our mission of preventing and ending poverty in Montgomery County. Interfaith Works has many opportunities for volunteers to give of their time, energy, skills and imagination to further our cause.

## Volunteer opportunities include:

- “ Prepare and serve meals
- “ Organize a donation drive for items our clients and sites need
- “ Support our holiday giving campaign
- “ Organize a special event for clients
- “ Sort and organize donations received at the Interfaith Clothing Center
- “ Mentor a family
- “ Support our Vocational Services Program by coaching or mentoring
