

Brad Colton

Member

Brad Colton handles strategic projects for global procurement for Marriott International. He is responsible for supporting the global operations team on major initiatives such as developing improved global operations standards and sustainability practices within Marriott International's supply chain and other operations opportunities. Since joining the company in 1982, he's held senior positions in management, operations and accounting including being a general manager of three MC Marriott hotels as well as the area general manager covering Montgomery County and Prince Georges County.

He also volunteers his time throughout the year through Marriott International's Days of Service events held at the Interfaith Works Clothing Center as well as other service opportunities. Brad is a member of the board of directors' development committee. He is a past board chairman of Leadership Montgomery and current board member of Montgomery Moving Forward and Montgomery Hospice.

Brad is a member of The Church of Jesus Christ of Latter-day Saints, in which he has served as a bishop of the Bethesda Ward and currently serves as 1st Counselor in the DC Young Single Adult Stake supporting 11 congregations in the Washington, DC metropolitan area.

Brad holds a MBA from the University of Virginia Darden School of Business and bachelor's degree in finance from Brigham Young University. He is a graduate of Winston Churchill High School in Potomac. Brad grew up in Bethesda and has lived in the area the majority of his life.
